## Auto Shop “Garage Sale”

Thursday, June 6<sup>th</sup> & Friday, June 7<sup>th</sup> from 9am-2pm each day

Brown City High School is in the process of transitioning from a full auto shop program to a “multi-trades” program. This process began within the past year, as the career landscape has changed for our future graduates, and our need of vocational skills has changed. In order to meet the needs of students and community, we will transition to a shop that includes Auto, Welding, Woodworking, Robotics, Technology, and potentially other trades.

In order to accomplish this, we will be selling off some of our Auto Shop equipment that is no longer needed. We will be hosting a “Garage Sale” during Brown City Days (June 6-7 from 9am-2pm). Items will be for sale based on fair offers for the customer and the school. Please enter through the Auto Shop area on the Northeast side of the High School during the scheduled times if you are interested. If you have any questions please contact Neil Kohler or Brad Hale at (810)-346-4700 or [nkohler@browncityschools.org](mailto:nkohler@browncityschools.org) / [bhale@browncityschools.org](mailto:bhale@browncityschools.org)

**\*\*Everything pictured will be For Sale as well as many other items\*\***
